The world's largest maternity apparel retailer born of humble beginnings

Destination Maternity Corporation (formerly Mothers Work, Inc.) is the world's largest designer and retailer of maternity apparel, using its quick response replenishment system to "give the customer what she wants, when she wants it."

Rebecca Matthias started Destination Maternity Corporation from scratch out of her home with a little money and a lot of determination and drive. Now Rebecca is the president and founder of a multimillion dollar, publicly traded company.

Founded in 1982 as a catalogue business, Destination Maternity Corporation has grown to become the world's largest maternity apparel retailer with more than 1,000 locations. Since the time of its initial public offering in March 1993, Destination Maternity Corporation has grown as a result of the addition of new stores, the acquisition of existing maternity stores, new brands, increased sales volume and most importantly, a great group of team members.
